

12:00-12:30	Welcome reception in the Exhibition Area	
12:30-13:00	Opening ceremony by the HARTUS Co-Chairs Attilio Di Spiezio Sardo, Luis Alonso, Sergio Haimovich	
13:00-14:30	Kingdom of Ultrasound	
	<p>Session Chairs: Caterina Exacoustos (Italy) and Juan Luis Alcázar (Spain)</p> <p>A good ultrasound is enough. And I can prove it! Let's talk about MUSA Describing endometrial pathologies using IETA terminology How can we assess the endometrium in IVF? Discussion</p>	<p>Speakers</p> <p><i>Thierry Van den Bosch (Belgium)</i> <i>Margit Dueholm (Denmark)</i> <i>Lil Valentin (Sweden)</i> <i>Sotirios Saravelos (UK)</i> All</p>
14:45-16:15	Kingdom of ART	
	<p>Session Chairs: Laura Rienzi (Italy) and Jean-Marc Ayoubi (France)</p> <p>If you keep trying, a good embryo will almost always implant How to improve uterine lining in IVF? Common causes of RIF: update And what after three failed IVF with good quality embryos? Discussion</p>	<p>Speakers</p> <p><i>Filippo Maria Ubaldi (Italy)</i> <i>Juan Garcia Velasco (Spain)</i> <i>Paul Pirtea (France)</i> <i>Luca Gianaroli (Italy)</i> All</p>
16:15-16:45	Coffee Break in the Exhibition Area	
16:45-18:15	Kingdom of Hysteroscopy	
	<p>Session Chairs: Linda Bradley (USA) and Carlo De Angelis (Italy)</p> <p>No Hysteroscopy ... no party Size really matters in reproductive hysteroscopy What's new after in-sight and trophy studies? Let's check the endometrium and beyond Discussion</p>	<p>Speakers</p> <p><i>Sergio Haimovich (Spain/Israel)</i> <i>Stefano Bettocchi (Italy)</i> <i>Grigoris Grimbizis (Greece)</i> <i>Rudi Campo (Belgium)</i> All</p>
18:15-19:05	Industry Symposium: Medtronic	
	<div style="text-align: center;"> <h2>Medtronic</h2> <p>Title: Navigating the Path to Fertility: The Role of Mechanical Tissue Removal System in Intra-uterine Pathology Management</p> <p>Chair: Attilio Di Spiezio Sardo (Italy)</p> <p>Optimizing Fertility: Pathology Removal and the Choice Between MHTR and Energy Devices Enhancing Fertility Outcomes: Surgical Removal of Intra-uterine Polyps and Fibroids Navigating Early Pregnancy Loss: Surgical Approaches to Missed Miscarriages Q&A (All faculty)</p> </div> <p>Speakers</p> <p><i>Lynn Robinson (UK)</i> <i>Norman Gómez (Spain)</i> <i>Charles Miller (USA)</i></p>	
19:10-20:00	Welcome snacks in the Exhibiton Area	

Start Day 2 of Sessions		
7:30-7:45	Coffee and cake in the Auditorium Foyer	
7:45-8:30	<p>Breakfast Symposium 'Endometrium at a glance'</p> <p>Chairs: Maurizio Guida (Italy) and Giuseppe D'Amato (Italy)</p> <p>Testing for endometrial plasmacells and NK Testing for endometrial transcriptomics</p>	<p>Speakers Ettore Cicinelli (Italy) Paola Viganò (Italy)</p>
8:30-9:30	<p>Recurrent Implantation Failure</p> <p>Session Chairs: Brian Dale (UK) and Salvatore Vitale (Italy)</p> <p>RIF: evolutive trayjectory from a static model to an age-adjusted model What are we looking for inside the uterus? Immunological factor in RIF: facts versus fiction RIF and the luteal phase: an intricate relationship Discussion</p>	<p>Speakers Baris Ata (Turkey) Preston Parry (USA) Dimitrios Kafetzis (UAE) Amerigo Vitagliano (Italy) All</p>
9:30-11:00	<p>Adenomyosis</p> <p>Session Chairs: Nataliya Kotsabyn (Ukraine) and Keith Isaacson (USA)</p> <p>Opening Lecture How to diagnose by US Can Hysteroscopy help in cases of adenomyosis? Does it really affect IVF results? Discussion</p>	<p>Speakers Keith Isaacson (USA) Caterina Exacoustos (Italy) Stephen Gordts (Belgium) Edgardo Somigliana (Italy) All</p>
11:00-11:45	Coffee Break in the Exhibition Area	
11:00-11:30	<p>Industry Symposium: Olympus</p> <p>OLYMPUS</p> <p>Title: New perspectives in Hysteroscopy: Future role in infertility diagnosis and treatment.</p> <p>Pathologies affecting fertility and treatment outcomes The office setting for diagnosis and treatment Intra-uterine operative surgery for the more challenging cases Q&A and Closing Remarks</p>	<p>Speakers Brunella Zizolfi (Italy) Brunella Zizolfi (Italy) Martin Farrugia (UK) All</p>
11:45-13:15	<p>Congenital uterine anomalies: septum</p> <p>Session Chairs: T. Justin Clark (UK) and Paolo Casadio (Italy)</p> <p>Opening lecture Pitfalls in the diagnose of uterine septum Will cutting a septum ever be proven effective for RPL? The outcome of the surgery depends on the surgeon Discussion</p>	<p>Speakers T. Justin Clark (UK) Artur Ludwin (Poland) Mark Hans Emanuel (Netherlands) Attilio Di Spiezio Sardo (Italy) All</p>

13:15-14:30

Lunch Break in the Exhibition Area

13:30-14:20

Industry Symposium: Gedeon Richter

GEDEON RICHTER

Title: Endometriosis and Infertility: Mechanisms, Treatments and Reproductive Strategies

Chair: Ursula Catena (Italy)

Decoding the Mechanisms and Connections of Endometriosis-Related Infertility
Optimizing Fertility in Endometriosis: Integrating Medical, Surgical and IVF Approaches

Speakers

Jacques Donnez (Belgium)

Pietro Santulli (France)

14:30-15:45

Hot topics?

Session Chairs:

Daniela Galliano, Ludovico Muzii, Ermanno Greco (Italy)

What is the future of reproductive surgery?

Sponsored Lecture: How to prevent intrauterine adhesions

Is an appropriate stimulation really needed?
Measuring uterine waves. Understanding uterine behavior.
Discussion

Speakers

Anis Feki (Switzerland)

Brunella Zizolfi (Italy)

Carlo Alviggi (Italy)

Benedictus C. Schoot (Netherlands)

All

14:30-15:00

Meet the Expert: Theramex

Place: Meet the Expert Area (1st Floor)

Chair: Luca Gianaroli (Italy)

New perspectives in infertility-related uterine disorders

Speaker

Felice Petraglia (Italy)

15:45-16:15

Coffee Break in the Exhibition Area

16:15-17:45

Cesarean scar defects

Session Chairs:

Luigi Nappi (Italy) and Jacques Donnez (Belgium)

Opening lecture

Can the ultrasonographic criteria predict reproductive performance?

How can it affect embryo implantation?

Let me treat it by hysteroscopy, please....

Discussion

Speakers

Jacques Donnez (Belgium)

Thierry Van den Bosch (Belgium)

Antonio La Marca (Italy)

Ursula Catena (Italy)

All

17:45-18:45	Perspectives: I do not like you! It's your fault!	
	<p style="text-align: center;"><u>Session Chairs:</u> Luca Mencaglia (Italy) and Stephan Gordts (Belgium)</p> <p style="text-align: center;">Embryo vs Uterus</p>	<p><u>Speakers</u></p> <p><i>Luca Gianaroli (Italy)</i> <i>Carlos Simón (Spain)</i></p>
18:45-20:15	Best communications	

Start Day 3 of Sessions		
8:30-9:30	Myomas	
	<p>Session Chairs: M. Mignini Renzini (Italy) and Shahrzad Ansari (Iran)</p> <p style="text-align: center;">Infertility and fibroids: correct ultrasound diagnosis for proper treatment choices Sub Mucosal Myoma and Fertility: to remove or not to remove? RF technology in the myoma treatment Update in the medical treatment of fibroids Discussion</p>	<p>Speakers</p> <p><i>Alessandra di Giovanni (Italy)</i> <i>Jamal Fikri (Morocco)</i> <i>Angel Santalla (Spain)</i> <i>Attilio Di Spiezio Sardo (Italy)</i></p>
9:30-11:00	Congenital uterine malformations (Dysmorphic)	
	<p>Session Chairs: Maribel Acién (Spain) and Amal Drizi (Algeria)</p> <p style="text-align: center;">Opening Lecture We need standardized criteria Not sure if this malformation affects my results Surgery works... Discussion</p>	<p>Speakers</p> <p><i>Maribel Acién (Spain)</i> <i>Giulia Monaco (Italy)</i> <i>Ertan Saridogan (UK)</i> <i>José 'Tony' Carugno (USA)</i> All</p>
11:00-11:30	Coffee Break in the Exhibition Area	
11:30-13:00	Endometrium and reproductive outcomes	
	<p>Session Chairs: Paul Pirtea (France) and Grigoris Grimbizis (Greece)</p> <p style="text-align: center;">Opening lecture Ultrasonographic criteria of "good endometrium" How thin is too thin Evaluating and treating refractory endometrium by hysteroscopy Discussion</p>	<p>Speakers</p> <p><i>Paul Pirtea (France)</i> <i>Juan Luis Alcazar (Spain)</i> <i>Joaquin Llácer (Spain)</i> <i>Rudi Campo (Belgium)</i> All</p>
13:00-14:30	Lunch Break in the Exhibition Area	
13:15-14:05	Industry Symposium: Hologic	
		
	<p>Title: Moving from the Dark Ages to the Light</p> <p>Session Chair: Sergio Haimovich (Spain/Israel)</p> <p>Introduction: Setting the scene - the dark ages of the Uterus</p> <p style="text-align: center;">Application of MyoSure device in reproductive age The present & the future of the uterus. Giving light to RPOC</p>	<p>Speakers</p> <p><i>Sergio Haimovich (Spain/Israel)</i> <i>Eleonora Castellacci (Italy)</i> <i>Marta Simó (Italy)</i></p>

14:30-16:00	<p align="center">What will the future bring?</p> <p align="center"><u>Session Chairs:</u> Attilio Di Spiezio Sardo (Italy), Sergio Haimovich (Spain/Israel)</p> <p align="center">From now on..... The future in the field of ultrasonography Evolution of ART A promising future for Hysteroscopy in ART Discussion</p>	<p><u>Speakers</u></p> <p><i>Vasilis Tanos (Cyprus)</i> <i>Antonia Testa (Italy)</i> <i>Antonio Pellicer (Spain)</i> <i>Luis Alonso Pacheco (Spain)</i> All</p>
16:00-17:00	<p align="center">Closing ceremony and fraternity messages Attilio Di Spiezio Sardo, Luis Alonso, Sergio Haimovich</p>
